Captain – Corrections

After researching the area of the Blanco River that is commonly referred to as “The Narrows”, we have determined that there is no way for anyone to access that part of the river without trespassing on private property unless the river or riverbed itself is traversed.

Should we receive a call from you or any other property owner for someone at the Narrows and we can determine that they did not traverse the river to arrive there then we will arrest the person or persons for Criminal Trespass.

Under chapter 30.05 of the Texas Penal Code Criminal Trespass is a Class B Misdemeanor and can carry a punishment of up to 180 days confinement in jail and up to a \$2000.00 fine.

Sincerely,

A handwritten signature in cursive script that reads "Mike Davenport".
